

Your Partner's Favorites

Joy Carroll, Ed.D., Psychologist, LifeLine Counseling Center

One of the basic ground rules for romance is: *the romantic gesture is only as romantic as your partner perceives it to be.* If you're going to be romantic, you'll have to know what appeals to your partner. So, do your homework and learn about his or her preferences. Then use the information to do something romantic!

★ **Exercise: Fill in These Blanks.**
